#MilVetsNC Leaderboard
Hispanic Heritage Month

With honor, in gratitude: our Leaderboard recognizes the impact of North Carolina’s military and Veterans community, and the individuals who work on behalf of those who have served.

Assistant Secretary Military Affairs Ariel Aponte
Even as a young man, Aponte knew the military was the right choice for him because he wanted to not only defend the nation, but also represent Hispanics and his family in a honorable way. The early years were tough as Aponte’s low grades only got him into the army as a cook. He did not let that stop him though as he says, “I put in the hard work, and I didn’t take the easy way out,” and became a Special Forces member with ten deployments to Afghanistan, and a 20-year career to his name.

He retired in 2018, but still wanted to be part of the military world and joined the North Carolina Department of Military and Veteran Affairs, as a temp, in July of 2018. Just like in the army Aponte wasn’t satisfied with his role and after a mere year rose to his current position as Assistant Secretary Military Affairs.

To Aponte Hispanic Heritage Month is a time to recognize all the Hispanic contributions made to North Carolina in the past, currently and what is yet to come. He sums it up with the word, “Orgulloso” which means proud in Spanish. He wants to make his family and Hispanics every where proud to be who they are, and that makes him want to carry the torch for his people.

As far as advice for other young Hispanics seeking to make a mark in the world, he says believe in the core values that the Hispanic culture instills in you and do what it takes to overcome obstacles. To break those barriers that will be put in front of you, you must do as I did early on, Aponte says. “Put in the hard work and don’t take the easy way out.”
