## Solemn & Moving Memorial Day Ceremony

NC State Veterans Home located in Fayetteville had a solemn but moving Memorial Day program, which was relocated inside due to inclement weather, and was led off by the Sandhills District Boy Scout troop presenting the colors. A veteran then led off by singing of the National Anthem.

The guest speaker was retired Lt. Col Barh, who is a member American Legion, and he was followed by Elks 1081 Lodge presenting a wreath. Gold Star Mother Julie Bessa was then presented a fresh flower arrangement in memory of her son.

NC Military Appreciation Day & Hall of First
A new exhibit at the North Carolina Museum of History opened this month honoring those in North Carolina who have served their country. The NC Department of Military and Veteran Affairs (NCDMVA) and the NC Department of Natural and Cultural Resources (NCDNCR) launched the "North Carolina Military Hall of Firsts."

The new exhibit inducted eight people, three of whom were present, into its halls initially, with plans to induct many more. Inductees to the North Carolina Military Hall of Firsts are to be persons who, by the excellence of their military careers in or connection to civic service, have brought substantial honor, recognition, and esteem to themselves, their families, and the state. In addition, the mission of the North Carolina Military Hall of Firsts is to promote equal and inclusive opportunities for veterans and their families in all aspects of society.

Among the presenters at the event was North Carolina Department of Military and Veterans Affairs Secretary Walter Gaskin who said, "This exhibit will highlight the contributions of North Carolinians throughout history who were trailblazers, and ardent supporters of the mission of the United States military", Gaskin said.

$5M+ Renovation

North Carolina State Veterans Home – Salisbury, a member of the PruittHealth family of providers, recently completed more than $5 million in renovations on the center to improve the daily lives of the veterans it serves and upgrade the working environment for caregivers.

The multi-phase renovation took place on the first and second floors of the building, including a 3,000-square-foot addition to an existing 64,000-square-foot building. The project also updated veteran rooms, nurse stations, corridors, offices, and added a new conference room with ample space for events and activities. The addition also includes a new courtyard, where veterans can enjoy fresh air and sunshine in a secure environment.

The renovations provide more space for veterans to participate in daily activities. A virtual tour of the improvements can be accessed here.
